DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Claims 1-10 has been rejected as anticipated by Shimura USP (5,886,797). In response to the office action dated March 3, 2003, applicant has submitted an amendment and remarks on June 2, 2003. Claims 1-10 have been amended. Claims 11-24 have been newly submitted.

Applicant's remarks regarding the reference that used to reject the application as discussed on page 8, 3 and 4 paragraph; on page 9, lines 13-18, and on page 10, lines 5-11 argues that the distinction is patentably clear between the prior art and the claimed invention as amended.

Therefore, claims 1-24 have been allowed for the reason the prior art searched and of record neither anticipates or suggests the claimed invention as amended.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Negussie Worku whose telephone number is 571-272-7472. The examiner can normally be reached on 9am-6pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, **Kimberly Williams** can be reached on 571-272-7471. The fax phone
